

Husqvarna®

Husqvarna DM 200 handheld core drill

Husqvarna DM 200 is a tough and versatile D-handle drill motor optimised for handheld drilling of holes from 30mm - 80mm. Delivering top class drilling performance in both wet and dry applications. The uncomplicated and sturdy design, all-round usability makes it an ideal part of any craftsman's toolkit as well as for rental purposes. Husqvarna DM 200 casing is made of sturdy impact-proof polyamide plastic with ball valve coupling for wet drilling, vacuum coupling for dry drilling, detachable front handle, wrenches and user manual.

Extremely durable

Built for years of rough handling and hard work in tough conditions, with oil-bath gear lubrication, aluminium gearbox casing and impact-proof polyamide plastic motor casing to save weight.

Two-speed gear

You can easily adapt the spindle speed and torque to any drilling diameter between 30mm and 80mm with the two-speed gear selector.

Wet and dry drilling

This all-round machine features a smart 2-in-1 solution for both water supply and vacuum extraction, enabled by a special sealing system design.

Easy to level

The two integrated levels make it easy to enable exact horizontal and vertical working positioning.

Intelligent overload protection

Both the operator and drill motor are protected by an overload clutch, while intelligent engine electronics automatically alerts the operator if the overload threshold is exceeded.

TECHNICAL DATA

Power, kW	2.0
Output Power on spindle shaft, kW	1.2
Motor	1-phase, electric
Weight, kg	6.4
Length, mm	488
Spindle thread, outer	1 1/4" - 7 UNC,
Spindle thread, inner	G 1/2"

OPERATING DATA

Gear	1	2
Spindle speed idle, unloaded rpm	1250	2600
Spindle speed idle, loaded rpm	800	1700
Drill diameter in concrete, mm	30-50	40-80
