

Waterblasters

Our range of waterblasters including options such as portable petrol powered, portable electric start and trailerised versions, is ideal for the construction, industrial, agricultural and hire sectors.

YRPRO Brendon Power Washers

The most versatile industrial mobile pressure washers and the ultimate in self-contained cleaning machines. Durable and reliable coupled with ease of manoeuvrability makes these Power Washers perfect for any hire fleet or construction site.

Solutions:

- Industrial Cleaning including concrete, street cleaning and graffiti removal (hot water unit only)
- Ideal for construction sites, plant hire, agriculture, food industry and oil refineries

Hot Powerwasher – 80 degrees 3500 PSI Diesel powered:

Features:

- 28L Detergent System
- 15L recyclable Anti- Freeze System
- 700L Water Tank
- Robust Tubular Chassis
- Cat Pump for Heavy Continuous Use
- Belt Drive System
- Yanmar L100 Diesel Engine

Mobile Engine-Powered Waterblasters

Heavy duty 500 Litre trailerised water blaster, designed for hard working industrial and contracting use.

500L Water Tank

Features:

- 500L water tank
- Single hose reel
- Honda GX390 petrol engine
- Fully galvanised trailer
- Low water cut out
- Model YRTWB.3700.500.ECO

Honda GX390
Recoil start
Pressure: 3700psi
Max flow: 17 L/min
*High pressure hose reel only

500L Water Tank

Features:

- 500L water tank
- Twin hose reels*
- Petrol or diesel engine
- Fully galvanised trailer
- Low water cut out
- Match up with one of four different engine options as below

1000L Water Tank

Features:

- 1000L water tank
- Twin hose reels*
- Petrol or diesel engine
- Fully galvanised & braked trailer
- Low water cut out
- Match up with one of four different engine options as below

BUILT TO ORDER ONLY

Choose your engine and water blaster options:

Honda GX390
Electric start
Pressure 3000psi
Max flow 21 L/min

Honda GX390
Electric start
Pressure 3700psi
Max flow 17 L/min

Engine: Honda GX690
Electric start
Pressure 4000psi
Max flow 21 L/min

Engine: Kohler KD625.2
Diesel Electric start
Pressure 2900psi
Max flow 30 L/min

*Comes with 1 x 30m high pressure and 1 x 30m low pressure hose.

YRPRO Brendon Power Washers

A range of trolley mounted versatile industrial petrol or battery powered waterblasters ideal for industrial cleaning jobs, rental fleet, plant & machinery.

Features:

- Honda petrol or battery powered engine
- 10M High Pressure 3/8" Hose
- 4.5M Suction Hose
- Solid Wheels to Eliminate Punctures
- Integrated Detergent System

Makinex Dual Pressure Washer / Cleaner

Clean large surface areas faster and easier. The dual pressure washer and dual pressure cleaner combines a rotary cleaner and wand pressure washer in the one machine, with the ease of swapping between them at the turn of a handle.

Solutions:

- Honda Petrol Engines
- Adjustable pressure from 1000 - 4000psi depending upon model
- A walk behind cleaning machine that gets the job done easier and faster
