## SCREEDSAVER MAX

## SCREEDSAVER MAX

The SCREEDSAVER™ MAX is the best return-on-investment screed machine available given its high-production output and value price point. Like every SCREEDSAVER model, the MAX includes our standard features of wireless remote control, fully automatic operation, 2D laser control and 3D GPS OR LPS control (optional). Contractors can haul it with a pickup truck and trailer combination. The MAX boasts FL numbers that can only be achieved by a boom operated screed.

**Screed Coverage:** The MAX offers 200 square feet of coverage per pass with a 18' boom combined with a 10' SCREEDSAVER head.

**Engine:** Kubota D902 25 hp Tier 4 Diesel

**Drive System:** 2 wheel proportional drive with wireless remote control.

**Grade/Slope/Dual Slope Control:** Trimble® LR30 Eyes (included).

**Ease of Transport:** The MAX can be towed with pickup truck and trailer and pass through 6' door openings.
